

Modern Machine Quilting on the Longarm by Cristina Arcenegui Bono

Join me in this hands-on workshop designed for quilters ready to push their boundaries. Unleash your creativity and master the art of using rulers with long arm machines to create contemporary, intricate designs. Join us for a day of exploration, experimentation, and skill-building as we elevate your long arm quilting to new heights.

Supply list:

Thread snips or small scissors

3 Water soluble markers

Notebook, mechanical pencil, pen.
