**Class name:** Quilt as You Go Log Cabin

**Description:**

This quilt can be created from a Jelly Roll with 42 strips or fabric you cut into 2½” strips. Each block is constructed independently in a “stitch and flip” process, which means you are quilting it as you are piecing it!  
This basic Quilt as You Go technique can be used in many of your future quilt projects in many other block designs. We will work on 3-4 blocks and learn and assemble with Nancy’s Easy Sashing QAYG technique.

### SUPPLY LIST

#### FABRICS:

- Jelly Roll that has at least 42 strips. For larger quilt you would need 2 or more of the same Jelly Roll. Or choose your own fabrics, cut into 2 1/2” strips.
- Four backing squares cut 17” square – I recommend a small busy print that is not directional in design.
- Cotton batting squares cut 17” square

#### SUPPLIES:

- Optional books will be available for purchase from the teacher after class.*
- Heat Press Batting Together 3/4' wide – the teacher will bring to class for purchase if you are unable to find it at your local quilt shop.**
- Rotary cutter, 45mm
- Rotary mat – 18” x 24” size
- Ruler – 6”x24”
- Seam Ripper, Straight pins
- Thread to match your fabric chooses – I recommend a 50-weight cotton.  
You will need a thread that matches your backing squares and thread to match your Eash Sashings fabric.
- Spray Baste – the 505 brand
- Sharp scissors and a pair of small thread snips
- Fabric marking instrument that you can see on your chosen fabrics.
- Roxannes Glue Baste-it
