

Yes, I 've watercolored my background!

Watercolour have been an almost indispensable part of Artquilt for a long time. A step-by-step demonstration on how to use “Watercolor markers” on silk touch fabrics, to create unique designs. The results are beautiful, colorful, and perfect. What you need are a small set of brushes, water, and the “Watercolors makers”. Original techniques to awaken the artist in each of us! It’s a pleasure and so easy! Let’s do it??
