- 1 yd. very light colored background fabric – your choice (you need to be able to see the pattern lines through the fabric; bring more than one if you can't decide)
- Fat quarter for main body of horse (I suggest a basic fabric or not too busy fabric so that paint will show up)
- Small amounts for shadows, stockings, mane and tail, hooves.
- Paper scissors
- Small fine scissors that cut all the way to the point
- Pencil, notebook.
- Wear clothes or apron suitable for painting in.
- I will bring a collection of fabrics for the horse if you don't want to bring your own.
