

## Kickin' Stash Workshop Supply List

Created by Beth Helfter, EvaPaige Quilt Designs

### Supply List

This class includes the pattern and precut kits for two Kickin' Stash blocks, one using "completely scrappy" (16 fabrics) in the block, and the other using a "planned scrappy" approach (4 fabrics). Kits will vary but will coordinate with each other so that should you choose to put both blocks into a larger project later, you can do so without it looking odd.

### Please bring:

- Cutting mat and rotary cutter
- 6" x 24" ruler
- 12 ½" or other square ruler
- Neutral thread for piecing
- Sewing scissors
- Seam ripper
  - Pins
- A scrap busting attitude
