Design Details: Manipulating Built in Sewing Machine Stitches to Create Stitch Art Designs

Finished Size: Various sizes

Learn a fabulous new technique, Decorative Stitch Art with Sewing Machine Stitches. Many sewing machines come with hundreds of stitches. How fun would it be to create some stitch art designs using all these wonderful stitches? You can custom stitch art designs to embellish quilts, clothing, home décor items or as stand-alone pieces of art. Join Heidi as she shares her creativity and teaches you how to do this technique. There will be plenty of oohh's and aahh's in class! And you'll leave excited to go home and create your own stitch art designs.

Kit Includes: Design templates, black and white precut cotton fabric squares, stabilizers, 6" acrylic ruler. 7 spools of 40 weight embroidery thread in colors necessary for designs.

Teacher Supplies: Pressing cloths, Quilt spray and/or Adhesive, Water bottles for pressing designs, and any additional required handouts necessary.
